Section: 2.06

Rules and Regulations

Emergency Traffic Lanes

Purpose:

To establish uniform traffic lanes for vehicles responding under emergency conditions;

To standardized and identify the safest and most direct routes to emergency scenes.

Scope:

These Rules shall apply to all personnel.

Responsibility:

1. Operators of all emergency vehicles shall, whenever possible, use the emergency traffic lanes designated on the attached maps.
2. Any vehicle responding from other than the station, shall yield the right-of-way to vehicles responding in the established lanes.
4. Operators of out-of-position apparatus shall report, on the radio, the location from which they are responding. They shall also report their location when approaching any intersection where they may expect to encounter other responding vehicles or apparatus.
